Eyes AND Ears

VOL. 9, NO. 22 "PREPARED BY AND FOR THE CAST OF WALT DISNEY WORLD" JUNE 1, 1979

NOTES FROM PAM

Hi Everyone:

Well, it has been a little while since I last wrote, but I have a good excuse! I have been keeping pretty busy representing you in local school and civic presentations as well as doing a lot of traveling. I will try to highlight my activities since Easter.

The first part of April, Mickey Mouse and I traveled to Washington, D.C., to be guests of honor at the National Very Special Arts Festival. The event drew over 1,000 handicapped children from all over the country with the theme "Believe in Yourself." Mickey and I participated in the opening ceremonies of the three-day event. Mickey also acted as the "eyes" for the Master of Ceremonies who was blind. It was a very moving experience for me and everyone there. There were children of all ages and they showed such great courage and determination that it was very inspiring.

That trip was followed by a trip to Mexico City and a small Mexican village called Lazeros Cardenas. The Mexican people were friendly and warm. The highlight of the week-long trip was the trip to Lazeros Cardenas. It was a two-hour drive up the west coast from Acapulco through many small villages. There isn't room to put in this letter all the things we saw and learned, but I truly experienced what being a "Goodwill Ambassador" was all about. We took Disney entertainment to over 1,500 children and adults who will probably never be able to come to Florida.

These two trips were very special to me in what I learned about people. In all the places I go the Disney name is so well received, and the important thing to remember is that it is maintained by all of you in your own special areas. Thank you for making my job such a nice one!

I enjoy coming home and catching up on what's happening here at Walt Disney World. I was really thrilled to hear about the "Express Bus Service" and plan to ride it as often as my schedule permits! I also hear that the Women's All-Stars/Hourly vs Executives Softball Classic will be quite a match! I hope to see you all there helping to cheer your favorite team on!

Summer is already here so let's all welcome our new and returning Casual Temporary cast members. I hope you all have a safe and fun-filled summer!

Pam

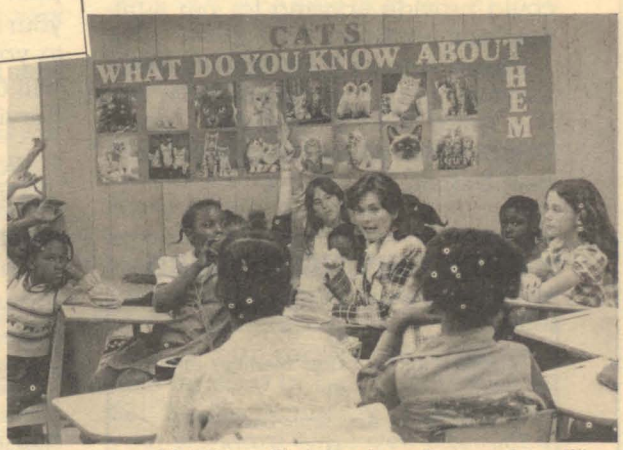
Pam Carpenter

When she's in town, **Pam** *likes to join our cast members at many cast events including our Family Film Festivals.*

It seems when she's visiting any city away from home, **Pam** *finds herself behind the camera. While in Puerto Rico, Pam and Mickey were interviewed on a live television show.*

On Easter Sunday, Pam accompanied Parade Grand Marshall **Bobby Rydell** *and family in their Easter buggy!*

While visiting Washington, D.C., **Pam** *was interviewed on "Newsbag," a children's television show.*



Representing our Walt Disney World cast keeps **Pam** *very busy. When she's home she spends time visiting local hospitals and schools, and while she's away she visits hospitals and schools! Recently, Pam visited with a group of fourth graders here in Orlando.*

CAST GAS STATION RE-OPENS

We are pleased to be able to re-open our Cast Gas Station to sell gasoline during the month of June.

It is our goal to maintain an adequate supply of gasoline through the entire month of June. For that reason we will be operating the Cast Gas Station five days each week from 6:30 a.m. to 6:30 p.m., **closing on Sundays and Wednesdays.**

Gas Allocation System

We will also adopt a gas allocation system based on your license plate number. If your license plate ends in an **odd** number, you will be able to purchase gasoline on all odd days beginning on the 1st of June. If your license plate ends in an **even** number, you will be able to purchase gasoline on even days beginning on the second of the month. And to avoid confusion, if you have "vanity plates" with name or slogans instead of numbers, your plates will be considered **odd.**

Each purchase of gasoline will also be **limited to approximately five gallons** to help stretch our monthly allotment.

And please remember to have your valid Walt Disney World ID and current vehicle sticker with you to insure that you will receive your discount at our Cast Gas Station.

Your continued cooperation and understanding is appreciated.

PARK AND RIDE!

Trying to find ways to economize? Want to find ways to save fuel and auto maintenance? Try our Park and Ride Service!

Arrangements have been made for interested cast members to park their cars at the Lake Buena Vista Preview Center parking lot and catch our Express Bus Service at the stop sign for transportation to various locations at Walt Disney World! You'll save a **20-mile round trip** each day, not to mention a gallon of gasoline each day! This service costs **25¢ one-way, 50¢ round trip** and when you subtact that from the cost of gasoline and your automobile maintenance you're saving over $3 every week, $12 every month, $144 every year . . . just for taking advantage of our Park and Ride Service!

Stop by Cast Activities for a complete bus schedule so you can try Park and Ride tomorrow!

SUMMER HOUSING NEEDED

Summer is almost here and we need your help!

Many Casual Temporary cast members are arriving and looking for short term housing. If you have a room in your home or an extra bed in your apartment, for $25 a week you could provide housing for our summer cast members.

Please stop by Cast Activities and list your housing or call 824-4254. This is a great way to help our Casual Temporary cast members and make new friends, too!

WORLD SERIES TONIGHT

That's right, the first of our two-night World Series of Entertainment featuring **Sister Sledge** and the **Sylvers** is **tonight!** The fun begins at 9 p.m. and continues until 1:30 a.m. And if you can't make it tonight, try **Saturday, June 2** . . . the same top-name entertainment will be here both nights!

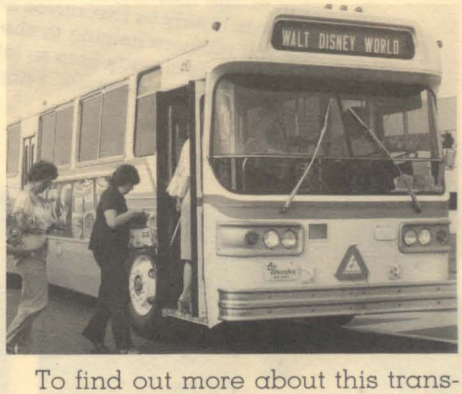
If any tickets are remaining, they will be sold at the gate for $9.95.

EXPRESS YOURSELF . . . TO WORK!

There are ways to beat the current energy shortage we are all facing . . . utilize mass transportation! And to help you find mass transportation, we have an Express Bus Service just for you, our Walt Disney World cast members.

Each day more and more cast members are boarding this bus and finding out how great it is to not have to hassle with traffic. They are leaving the driving up to the Orange, Seminole, Osceola Transportation Authority!



To find out more about this transportation assistance program and to get a **revised** bus schedule, drop by Cast Activities. They'll give you a complete bus schedule and route to help you get out from behind the wheel!

FOREIGN LANGUAGE CENTER IS AT YOUR SERVICE

During the busy summer season we have numerous guests who cannot communicate in English. We need to do everything possible to help these guests have an enjoyable visit, so when they come to you for help call our **Foreign Language Center** at **extension 7900.**

The hosts and hostesses at the Foreign Language Center can help all our French and Spanish speaking guests by answering their questions, making reservations for them as well as making them feel at home.

The Foreign Language Center is open from 9 a.m. to 6 p.m. daily, and they're at your service!

SUMMER UPDATES CONTINUE

Just a reminder for those of you who have not yet seen **Summer Update '79,** these special previews of future projects and our summer schedule of fun will continue through **Thursday, June 7,** at the Contemporary Resort Hotel. Please check with your Division Training Office to be scheduled.

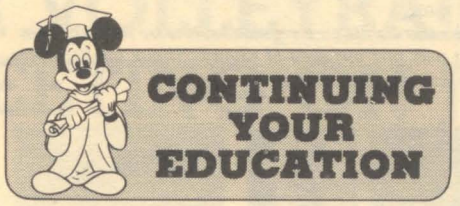
You and Your Magic Kingdom Admission Pass

There are times, especially in the busy summer season ahead, when you'll want to bring family members or visiting friends to our Magic Kingdom as your guest. For that reason, each permanent and casual regular cast member who has been working for 90 days receives a Magic Kingdom Admission Pass which is valid for one calendar year.

Your pass will be validated yearly when you validate your Walt Disney World ID. It entitles **you and your dependents or you and three guests** to complimentary admission to the Magic Kingdom. You must present your Magic Kingdom Admission Pass along with your validated Walt Disney World ID **in person** at our Main Gate.

Please keep in mind that your Magic Kingdom Admission Pass is designed to admit you and your guests only when you personally accompany them to the Magic Kingdom. Our ticket hosts and hostesses cannot accept notes from you to allow your guests in.

Spouses of Walt Disney World cast members may use the Magic Kingdom Admission Pass as long as they have proper identification.



Register now and spend your summer learning! There is still time to join the Orange County Adult Education Supervisory and Development classes offered at the Facilities Learning Center by the Disney University.

The class which is still available is:

• **Effective Communications** — This course is designed to help participants improve their person-to-person communications and will meet Wednesdays from 12 noon to 3 p.m. beginning June 6.

For more information or registration, contact the Disney University at extension 4744, and make your summer a learning experience!

I wish to take this opportunity to thank you all for the flowers, donations and prayers for me during my illness and surgery.

It will be several months before I will be able to return to work, but I am grateful to have friends like you at Walt Disney World.

God bless all of you,
William Hooks

Thank you for the flowers while I was in the hospital. I hope to be well again soon.

These shoes are on sale for **$10.** In addition, the Royal Ladies carries our regulation employee lace-up shoe in black and white for $21. And remember, you also receive your standard employee discount at all our UNOCO shops!

"It Takes People"

Each year our Walt Disney World hosts and hostesses offer the millions of guests visiting our Vacation Kingdom the finest in outdoor entertainment. But part of that experience our guests enjoy is created late at night when most of us are fast asleep. Hundreds of cast members work our third shift, polishing and cleaning our guest and cast areas, preparing food for opening, refurbishing shops and attractions and just being available if our resort guests need assistance.

To thank all our third shift cast members for the tremendous job they do each night, our Walt Disney World management team hosted a **3 a.m. Breakfast** *in their honor.*

Vice-Presidents and Directors were seen handing out trays and pouring coffee and orange juice to hungry cast members. And behind the scenes in the kitchen were training advisors and managers preparing eggs, sausage, toast, hash browns and more!

And although, those cast members who work the third shift on a regular basis were the only ones completely awake, the breakfast was a success! It was just our way of saying "thank you" to the hundreds of cast members who prepare our show during the evening!
